## Greetings From Your Exalted Ruler John Stevens, PER

I thought that the Flag Day ritual combined with Law and Order Night went very well. The Fire Department and the Police Department each identified two individuals that justly deserved to be recognized for their contributions, I want to thank Bill Wiseman and Jim Matthews for all they did to help make this a success. I was disappointed that we did not get a larger turnout and you will never get a Prime Rib dinner as good as this was especially for the price.

We had a good turn out for the steak night and the free show. Hope that all enjoyed themselves as much as I did. It was great night to relax in your Lodge and enjoy your fellow members.

We still only have two individuals who have stepped up to do Saturday afternoon bar tending actions, This is not difficult serving mainly beer. It is a great way to meet members you may not know and a way you can help your Lodge meet the bottom line on the monthly profit and loss statements. Call me or talk to me if you are interested in helping!

The Lodge Modernization Committee as of this writing has been making progress and many proposals have been reviewed and are being evaluated. Some pricing has been obtained; however additional time will be required before a finished proposal will be ready presentation at a Lodge meeting.

Summer is now on us in full force. I will be gone to the Grand Lodge Convention in Orlando, FL from 3 Jul through 9 Jul. In accordance with our by-laws there will be only one Lodge meeting in July and August. The July meeting will be on the THIRD Tuesday and the meeting in August will be on the first Tuesday. Enjoy your summer as things will get real busy as usual starting in September. The annual DDGER visit and evaluation will be on 7 September then comes the Crab Crack. ENF silent Auction, pig roast, State President visitation, collection of school supplies and Holiday food baskets to name just a few.

We need your help and support to make the above successful and to allow your lodge to prosper and grow.

I sincerely thank Steve Bazar for stepping up and taking on the Scouting Coordinators position. His years in scouting will permit him to do a great service to the Lodge in this position. If you have the time please contact Steve and volunteer to help him in any way you can with important work with the Scouts.

### From Your Leading Knight Dona Hoesly

Hello everyone in Elkdom,  
We are still inviting everyone to come have fun with us. Your Lecturing Knight, Leslie Smith is continuing to bring dip and chips for everyone before meetings. Also he is inviting everyone who plays Cribbage to come have a game with him before or after the meetings. As for me, I'm just happy to have a minute to sit and visit. Mother's Day was a delight. I had fun getting flowers for Mother's Day and the Flag Day Ceremony was even better. We had the most wonderful Prime Rib yet, prepared by Bill Wiseman. The Police and Fireman honored seemed to really appreciate our awards.  
Wishing you a fun summer.

Dona Hoesly, Leading Knight  
Leslie Smith, Lecturing Knight

### Community Activities James Matthews, Loyal Knight

Summer is here!  
Our Flag Day and Law and Order Day Ceremonies held on June 11<sup>th</sup> were a great success. We honored two Firemen and two Police Officers for services performed above and beyond the call of duty.  
I am working on some community events that will draw attention to our lodge and bring in new members. If you have any ideas please email me at [sales@aviationservicesdirectory.com](mailto:sales@aviationservicesdirectory.com) or call 987-3226.

Please do not fill my email box with jokes only lodge business.....  
See you at the meeting.

James Matthews,  
Loyal Knight

### Greetings From the Secretary Bill Wiseman, PER

June has been another busy month in the Secretary's office. As of 30 June we have 214 members with 29 delinquent. We will be bringing in five new members for the month of July. For those of you that have not paid your 2010-2011 dues, please get them in as soon as possible. Remember your dues are part of our budget and are needed to help keep the Lodge healthy and growing. If it has just slipped your mind please send your dues. If you have a problem or an issue with the Lodge, its Officers or its Members that is preventing you from paying your dues, please come talk to us so we may resolve the issues and get on with the great work of Elkdom. Sponsors look at the list of delinquents if you see an individual on the list you sponsored, please contact the individual and encourage them to bring their dues current.

Once again I ask all committees to get your reports in to me. In order to make my job easier please keep records of any hours that you may volunteer or mileage driven and turn into myself or Exalted Ruler John Stevens so that we may get credit for them.

We need your help, see if there is a committee you would feel comfortable with lending a hand. The biggest contributions you can make towards the betterment of the Lodge is to step-up and participate. Remember this is your Lodge; it is imperative that each and everyone of you become active in **your** Lodge to keep it growing and stable. As I have stated over the past five years **"One Member Can Make a Difference"** - please be that member. **We need your involvement and help to keep this Lodge and the Order viable and growing!**

Fraternally  
Bill Wiseman, PER

#### THE SUMMER HEAT - REMEMBER WATER IS "KING" HERE!

**Dehydration** - This means the body is running low on liquids. The first indicator is being thirsty or having a dry mouth and your urine becomes extremely concentrated or very dark. These are indicators that your body is suffering from dehydration. You should replace fluids as quickly as possible. To prevent dehydration keep at least eight ounces (one cup) of water every hour. If you are physically active or working outside, you should double your liquid intake.

**Heat Exhaustion** - The victim will suffer dizziness, light-headedness and sweat profusely. Have the victim rest in a cool place and drink fluids such as water. This condition should clear in a few minutes.

**Heat Stroke** - This is a medical emergency. Call 9-1-1 immediately. Usually the person will faint and may become unconscious. Their skin will be hot, red in color and the victim will not be sweating. You should move the victim to a cool place, wet the skin with wet-cool cloths and **do not** give the victim anything to drink.

## Membership Committee News, Bill Wiseman

The following members are delinquent with payment of their dues. If this is and oversight please send your dues to the Secretary as soon as possible. If there is a problem or and issue with the Lodge we urge you to come talks to is or send us a note explaining your concerns. We will do what we can to resolve the concern.

### Treasurer's Report Richard Letendre

Fraternally,  
Richard Letendre

July and August are typically slow months for the Lodge. If you are out shopping stop by we can use your participation!

A reminder to everyone if you do not have a Blue Pig at home please come by the lodge and pick one up. With your hard work and participation I know 2010-2011 will be a banner year. Come join us for the pig roast is always a fun event.

### Trustee's Report Jack Waldock, Chairman

The economy in general and how it effects our lodge specifically, has been the main concern of the Trustees. Our cash flow has been adversely affected and we are looking for ways to turn this around. Our building, and it's assets, as you may know, are getting older with each passing year and we will need your help to ensure our ability to replace or repair them. Let us work together to get this done.

The Trustees meet the forth Tuesday of each Month.

Fraternally,  
Jack Waldock  
Chairman

**Elks Care - Elks Share**

### HOUSE COMMITTEE

Effective 1 May 2010 the bar will not be manned by a paid bar tender on Saturdays. The sales volume has not been sufficient over the past year to support a paid bartender on this day. We would still like to keep the bar open on Saturdays and man it with volunteer bartenders. Please contact the Exalted Ruler or any officer if you can volunteer to man the bar on Saturdays.

John Stevens, PER  
Chairman

# Strive to reach small attainable Lodge goals

If all of your Lodge Committees (and for that matter, District and State Association Committees) are running smoothly and attaining all your goals, good for you. However, should some of your committees be lacking, here is my suggestion. Establish one makeable goal for each of those committees, and ride herd until the goal is achieved.

Making that one goal breeds further success, raises morale, promotes interest and, above all, makes a difference in your Lodge and in your community.

Can't think of a goal? Here are some of mine, with apologies to any person who may have first voiced them.

Membership – Every Lodge sponsors one Open House this year.

## Message from The Grand Exalted Ruler

Hon. James L. Nicholson

Elks National Foundation – Every Lodge has an active Chairperson. Every Lodge puts the option to donate on the Dues Statement.

Elks National Home and Retirement Center – Each Lodge buys a brick.

Ritual – Hold a monthly practice.

State Major Project – Each Lodge donates

\$1 per Member to the 501(c)(3) Trust.

Public Relations – Take the picture, write the article, and E-mail to the news editor of the paper.

Lodge Activities – The Lodge completes the All-American Lodge Contest application.

Veterans Service – Each Lodge adopts one Veteran at a local nursing home.

Americanism – Each Lodge sponsors the Americanism Essay Contest in one school.

Drug Awareness – Arrange to take a Drug Awareness trailer to one local event.

And so on. You see how this works. Avoid broad sweeping goals. Set small ones that can be achieved. It will lead to further successes.

You will be *Making a Difference*. Do so with pride and energy.

## ENF Marty Lange, Chair

We are off to a good start for the year. But we still need your help to make this a banner year. Remember your contributions all go for very good causes. Each year Nevada gets back about \$1.25 for every dollar donated. Where else can you get that return on your donation.

We need to start thinking about the Silent Auction scheduled for 1 October 2010. Now is the time to start looking for items that can be donated to the auction. As you travel this summer on your vacation keep an eye open to items that will sell at the auction. Remember the money earned from the items donated all goes to credit your account. What better way is there to get the most from your donation.

Have a great summer!

Fraternally,  
Mary Lange

## PER News Bill Wiseman, PER

We will be having a “CRAB CRACK” scheduled for September 18. We will keep you informed as more developments. So, please mark your calendars.

I know it seems a bit early to be talking about next years officers and committees, but February will be here sooner than you may think. If any of you have a desire to become an officer, a committee chair or a committee member please contact any of the PER Association members. Now is a golden opportunity to work with the present officers and committees to see what it is all about. This will permit you to become more comfortable with the duties of these positions and hopefully encourage you to become more involved in the coming year. You will find it is not that difficult and the PERs are here to help you alleviate your concerns and misgivings.

Remember the 3rd Friday of each month is our PER Steak Dinner. Best steak in town cooked to perfection, by you.

Fraternally,  
Bill Wiseman, PER  
PER Association President

## Elks & Scouting

Our Cub Scout Pack is doing great. Michael Ferriolo has taken the position of leadership for the Pack. I'm looking forward to **your** support and **attendance** to the planned Scouting functions to be held at the Lodge I expect this to be a great year for Pack 304.

Yours in Scouting,  
Steve Bazar

## Sickness and Distress Leslie Smith, Lecturing Knight

PER Bill Obszanski was in the hospital to have defibrillator implanted to assist with an inoperable blockage issue. We wish him all the best in his recovery and future wellbeing. This has been a good health month for most.

Fraternally yours,  
Leslie Smith

## Our Annual Law and Order Day Honoring our Policeman and Firefighters

Jim Matthews and John Stevens presents the Certificate of Recognition to this years Police Department Recipients - Detective Wayne Nichols and Officer Scott Derrick (Out of town). Also shown in the photo are Deputy Chief Jim White, Deputy Chief Ron Averett and Lt. Norman Richardson.

Exalted Ruler John Stevens presents the perpetual plaques to Deputy Police Chief Jim White and Fire Chief Doug Stevens. Both plaques had six years of recipients on them. We will continue to add the new recipients each year. The presentation of the perpetual plaques brings to closure a goal Bill Wiseman set several years back.

Jim Matthews and John Stevens presents the Certificate of Recognition to this years Fire Department Recipients - Firefighter/Paramedics Beau Mently and Jerry Harris (Both were out of town). Also shown in the photo are Chief Doug Stevens, Battalion Chief Matt Morris and Battalion Chief Mike Gibson.

Our Flag Day Ceremony was a success with Cub Pack 304 presenting the colors. PER John Stevens, Exalted Ruler presented the history of the flag with Jim Matthews, Loyal Knight providing the response. Following the Flag Day Ceremony John and Jim presented Certificates of Recognition to Detective Wayne Nichols and Officer Scott Derrick of the Police Department and Firefighters Beau Mently and Jerry Harris, our 2009-2010 honorees for services rendered above and beyond the call of duty. In 2009 Detective Nichols made approximately 27 arrest, with 14 being related to child pornography and 13 related to luring of a minor. Detective Nichols leaves no rock unturned during his investigations, thinking outside the box so that all of the pieces of a case fit together nicely.

Because of Detective Nichols organizational and Investigative skills he was able to obtain a confession related to his Child Pornography cases and Peer-2-Peer cases almost every time. Our gratitude goes out to these men for their for their hard work and dedication to the wellbeing and safety of the community of Henderson/Green Valley.

## Making a difference every day for our troops and families

by Paul D. Helsel, PGER Commission Member

For the past 93 years, since 1917 during World War I, the Elks have stepped forward during every conflict or war our Nation has been engaged in, and led the way in providing support, relief and assistance for our troops, our "Defenders of Freedom". Currently and for the past seven years, our "Army of Hope" has provided that support and a wide variety of assistance for our troops and their families across many of the states and communities our Lodges serve.

Our "Army of Hope" was established and organized as a program, a movement if you will, enabling and encouraging Lodges and State Associations to provide support and assistance for the families of their local Military Reserves and National Guard Units who are deployed in "harm's way", to defend our National Interests during the current and ongoing wars in Iraq and Afghanistan. Well, the "Army of Hope" of today has evolved into much, much, more!!

Today in many states and local communities, our "Army of Hope" has expanded its service activities to provide direct support for the troops, as well as their families. Lodges and State Associations are providing all sorts of personal hygiene, clothing and comfort items, food items, phone cards, etc. You name it, and it is being sent to our troops by the Elks. In addition to the variety of items being sent directly to the troops, an even greater effort is being made to make their return home as easy and pleasant as possible for both the trooper and the family.

Elk Lodges and members are participating in "Welcome Home" events at airports, military bases, and the like for these returning "Heroes". Lodges and "Army of Hope" Committees are holding "Welcome Home" celebrations, as well as providing financial and other assistance, all to help each returning Hero to continue with their normal life with their family.

Many of our returning Heroes are not as fortunate and return with injuries, both physical and psychological, the Wounded Warriors. Others, tragically, are even less fortunate and return as Fallen Heroes. Once again, our "Army of Hope" has stepped into the breach and in many communities provided relief to the individual Hero Warrior, as well as their families.

Our "Army of Hope", through a wide range of fundraising activities, is providing funds for rehabilitation activities, services and facilities. A specific state "Army of Hope" Committee has even donated a new special bus for transporting Wounded Warriors so that they may have access to distant rehabilitation services.

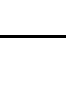

In the case of the Fallen Heroes, our "Army of Hope" organizes groups of Elks members to honor them, and comfort their families. Lodges also provide their Lodge facilities for funeral- and memorial-related activities. Elks everyday are doing everything they can to ensure that our Fallen Heroes are given the respect and honor they deserve, as well as helping their families cope with their devastating loss.

Hopefully you gather from this brief message, Elks all across our Order make up our "Army of Hope" and are bringing comfort and relief to our troops and their families, day in and day out. (Excerpts from GL Newsletter - W. M. Wiseman)
